Practical Tutorial 03

You are required to design a website for ‘PIZZARELLA’, a pizza shop. Images, text and screenshots are uploaded to CAL.

There are two web pages named as Firstpage.html and Secondpage.html as given in the figures. It is not a must for the images to be same as what is used in the shown web pages.

Firstpage.html

- Firstpage.html should be designed as shown in the below figure.
- Once the user clicks the link ‘Next Page’ the Secondpage.html will be loaded. The new page should not be loaded in a new tab.
- Use Links, Lists, Text formatting, Tables tags to arrange these pages.
- All the formatting of this website should be done using HTML.

Secondpage.html

- Secondpage.html should be designed as shown in the below figure.
- Once the user clicks the link , the Firstpage.html will be loaded. The new page should not be loaded in a new tab.
